It was Dr. Shoop who first told us it was wrong to drug a weak or tailing stomach, heart or kidneys His prescription-Dr. Shoop's Restorative-is directed straight for the cause of these ailments-these weak and faltering inside nerves. This, no doubt clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days soon become fully convinced of its wonderful merit. Anyway, don't drug the organ.
